

## Systems of Finite and Infinite Sets

FOUNDATIONS\_14\_1387314525765632

**Definition 0.1.** A system of finite sets is a system of sets  $X$  such that every element of  $X$  is finite.

FOUNDATIONS\_14\_5698452102154785

**Definition 0.2.** A system of infinite sets is a system of sets  $X$  such that every element of  $X$  is infinite.
